

## **The Doorway to New Life**

By Wallace Huey

Oh Great Spirit,

Inspire me to...  
Pray in a way that unites,  
Write in a way that enlightens,  
Give in a way that enhances,  
Sing in a way that touches,  
Speak in a way that uplifts,  
Love in a way that transforms.

Empower me to...  
Reach the confused,  
Serve the doubting,  
Comfort the lost,  
Bolster the inadequate,  
Strengthen the weak,  
Connect the lonely,

And bring new life to all who enter.
